

## Lesson Plan 4/21/20

### Kindergarten Longview Elementary

### Mrs. Dow & Mrs. Tomlinson's Classes

Families:

Please read the red section below. Due to the stress families are experiencing right now, we are adjusting our lessons. Starting Monday, March 23rd you are only required to do the yellow portions of each daily lesson (including the daily assignment submission). Everything else is optional. Hopefully this will make your lives a little easier as we all have so much on our plates right now. We will continue to create the optional green/pink lessons for students that are benefitting from those, but they are no longer required. Feel free to contact your teacher if you have any questions about this.

Every kindergarten student (both half day and all day) should be doing the **MUST DO** assignments and submitting the assignments that are yellow and bolded in the [Kindergarten Assignment Submission Link](#) on a daily basis. Everything else is either a green **CAN DO** assignment (there for extra practice and fun, but not required) or a pink **ALL DAY KINDERGARTEN** assignment (assignments developed for the all day kindergarteners, but also not required). The orange **JUST FOR FUN** section (at the very bottom of the lesson) is not an assignment, but rather cool things we found that your child might enjoy doing.

Parents, If you have questions about today's lesson you can email us at [adow@murrayschools.org](mailto:adow@murrayschools.org) and [atomlinson@murrayschools.org](mailto:atomlinson@murrayschools.org). We will be available for support between 9 a.m.- 2 p.m. M-F.

Thanks for your support and understanding as we do our best to bring education to your child digitally for the next little bit.

Warmly,  
Mrs. Dow and Mrs. Tomlinson

Subject	Assignment Directions
<b>MUST DO</b>	<u>Every</u> kindergarten student (both half day and all day) should be doing the <b>MUST DO</b> yellow assignments and submitting the assignments that are yellow and bolded in the <a href="#">Kindergarten Assignment Submission Link</a> on a daily basis.

<p><b>CAN DO</b></p> <p><b>ALL DAY KINDERGARTEN</b></p> <p><b>JUST FOR FUN</b></p>	<p>All kindergarteners are encouraged to do the <b>CAN DO</b> assignments, but they are not required. They are there for extra practice and fun.</p> <p>All day kindergarteners are encouraged to do the <b>ALL DAY KINDERGARTEN</b> assignments (developed for the all day kindergarteners), but they are not required. Half day kinders are welcome to do these assignments as extension and challenge work if they choose to, but again, these are not required.</p> <p>The orange <b>JUST FOR FUN</b> section (at the very bottom of the lesson) is not an assignment, but rather cool things we found that your child might enjoy doing.</p>
<p>ELA-Reading</p>	<p><a href="#">Today's Welcome Video - Mrs. Dow</a>  <a href="#">Today's Welcome Video- Mrs. Tomlinson</a></p> <p>Have your student listen to the attached read aloud, <a href="#">Why Should I Recycle?</a> Ask your student to tell you two things that can be recycled. Ask them to tell you what happens to things that are recycled (i.e. clothing/cans/bottles).</p> <p>Students will work in Lexia for 20-25 minutes. Lexia can be accessed through <a href="#">Clever</a>. Here are directions on how to <a href="#">access Clever</a>.</p>
<p>ELA-Writing</p>	<p><a href="#">CVC word video</a>- Watch and write the words as Mrs. Tomlinson is writing them. You will need paper and pencil or white board and marker.</p> <p><b>In lieu of a kindergarten submission assignment today, please review the A-Z parent letter emailed to you and explore the website (Level Up and Reading Room) with your child.</b></p> <p>In the video the student had to write each word 2X. Write the words one more time by yourself. Sounding out each letter as you write it.</p>
<p>Math</p>	<p>Students will watch this <a href="#">Eureka Math Lesson 5.12</a></p> <p>While the video teacher is working through the math problems, have your student follow along and count the problem being shown for practice. You can use legos for cubes or draw the number of cubes to show one less. Complete the Exit Ticket on the video by showing the cubes or drawing the 13 cubes and then writing the number that is one less. Have your student keep taking one less away on the tower and saying " _____ and one less is _____." Until</p>

	<p>they get down to the number 5.</p> <p><b>Application Problem:</b>  Peter was sitting at lunch eating his french fries. He counted 8 on his plate. He ate 1 fry, now how many does he have? He ate another fry, then another fry. How many fries did Peter have now? Draw a picture to tell the story. Bonus point: Draw a number bond for the problem.</p> <p>Students will work in Zearn for 10 minutes today. Zearn can be accessed through <a href="#">Clever</a>. The Zearn app is the yellow square with the blue/white letter Z. This is a fun and easy to use program kinders are now able to use to practice the math skills we are learning..</p>
<p>Science/Social Studies/Large &amp; Fine Motor Skills</p>	<p><a href="#">Don't Be a Litterbug- Let's Find Out Magazine</a>  Click on:</p> <ul style="list-style-type: none"> <li>• Login <ul style="list-style-type: none"> <li>○ I am a Student <ul style="list-style-type: none"> <li>■ Class password is: sizepet3111</li> <li>■ Then select the April 2020 issue "Don't Be a Litterbug."</li> </ul> </li> </ul> </li> </ul> <p>Don't be a litterbug, be the solution. Go on a walk and collect the garbage in the neighborhood or park. Then decide if it can be recycled or thrown in the trash .</p>
<p>Just for Fun</p>	<p><b>Fun Run:</b>  Mrs. Ballard is awesome and is going to do this year's Fun Run remotely! Go to <a href="#">this link</a>, to watch the welcome video, the instruction video, complete your contract and get ready to track your minutes.</p> <p><b>Toilet Paper Roll Crafts:</b>  Rather than throwing away your old toilet paper and paper towel rolls, try turning them into fun decorations or toys. Watch <a href="#">this video</a> for some ideas on how to recycle your rolls.</p>
