Thank you so much for all your work and patience during digital learning. We feel so lucky to be a part of the Longview Community that is filled with kind, supportive and hard working families that care so deeply for their children. It hasn't always been easy or perfect, but we did it! We hope you enjoy a safe and restful summer. If we can help you in any way, do not hesitate to reach out. We are with you! You will have access to Lexia and Zearn until the end of July. We encourage all of you to use it 3-4 times a week in order to retain the skills your students have mastered in the kindergarten year.
