AGENDA ITEMS:

- **APPROVAL OF NOVEMBER MINUTES**

Jennifer Clark, Becky Powell second

- **AGENDA ITEM #2: REVIEW DATA FROM MOY**

- **ACADIENCE MATH**

- Every group/grade level is at or above benchmark.
- Based on the *Pathways of Progress* we think everyone is looking good for meeting the benchmarks come EOY.

- **READING**

- Minimal drop in expected area at MOY, encouraging indicator.

- **Overall, 73% are at or above benchmark.**

- That said, reviewing the markers for pathways of progress charts do not quite reflect the numbers for our progress, so we are reviewing the data sets to determine if something is off, (such as teachers perhaps setting the goal to high, thereby skewing the data.)

- **AGENDA ITEM #3: Upcoming Budget Proposal**

- Historically the budget goes toward the paras and support for K-3. We need to analyze what the needs off the school are to determine where we want to allocate these funds for next year.
- **Must be tied to an academic goal, best presented if tied to data, (evidenced.)**
- What feedback can we gather to contribute to the decision-making and planning process??
- Surveying parents and teachers for input.
- Ongoing support for Arts Integration and the BTS Visual Arts program.

- Reviewing the efficacy of the paid-for Student Advocate Student and services like the Zen Den. (Becky provided brief overview of the Zen Den and Ms. Tiff's methods, including explicit instruction given for managing emotions and self-control. Proven effective and advantageous for all.)
- The plan for land/trust must be submitted to the state by March 29th.
- Prior to submission, the proposal must be posted online and available publicly for at least one month.

• **AGENDA ITEM #4: Crosswalk**

- 6270 S Crosswalk- Should the crosswalk itself be moved?
- Need for flashing lights/crosswalk light, equipment for use, (i.e. cones.)
- Recruiting 6th Grade leaders to assist until the budget is approved for a crosswalk, (if approved, funds estimated to be available January 2024.)

NEXT MEETING is February 13th, 2023, at 3:30pm.
